

Prestige Forward-Fold

The Prestige Series telescopic system pairs our most popular auditorium chairs with the industry's very first Semi-Automated chair fold down system to create an attractive and comfortable seating experience with faster changeovers.

Key Advantages:

- Multiple chairs options to choose from
- Citation, Millennium and Marquee chairs have an adjustable back pitch to maximize spectator comfort and optimize sightlines
- Chair standards are deck mounted allowing for layout flexibility, faster installation and a cleaner look
- Armrests are available in polymer, cupholder and wood arm cap
- Seat number and row letter identification
- Reduced chair envelope allowing for more chairs between aisles
- Consistent appearance with fixed seating (chair size & geometry)
- Faster changeovers increase ROI for end users
- Semi-Automated chair operation uses a spring assist when raising the chairs to the use position, and a release lever to automatically fold the chairs to the stored position
- Up to 4 chairs can be operated at one time
- Gas springs control the "fall" when the chairs are lowered
- Dust/debris covers shroud and protect the fold down mechanisms while making cleanup easier after an event
- Greatly reduces chair setup and takedown time
- Prestige Forward Fold chairs can be used on telescopic systems or on stackable risers

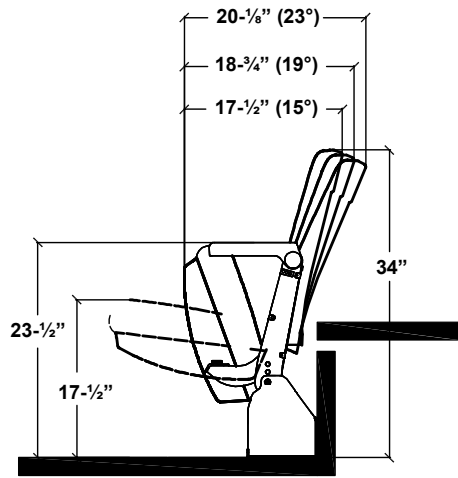

Dimensional Requirements:

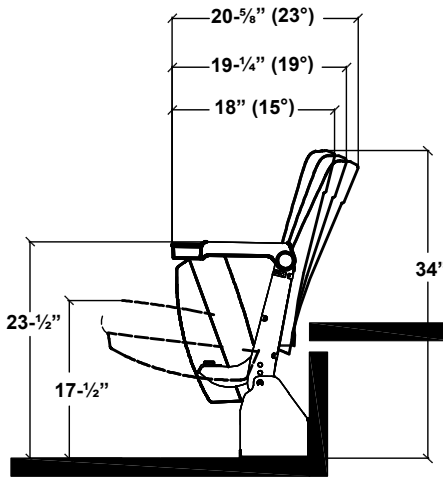

- Available with 14" row rise for Citation, Millennium, Patriot, Centurion
- Available with 15" row rise for Marquee
- Contact Factory for row rise requirements greater than 21"
- Stackable Riser Systems (SRS) are available from 4" – 16" row rise
- Available with a minimum of 33" row spacing, 34" – 36" recommended
- Chair sizes available from 19" – 22" (varies by chair model)

Chair Dimensions:

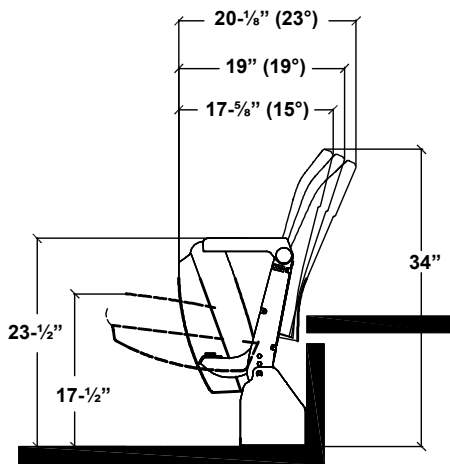

Citation with No. 12 seat and regular arm

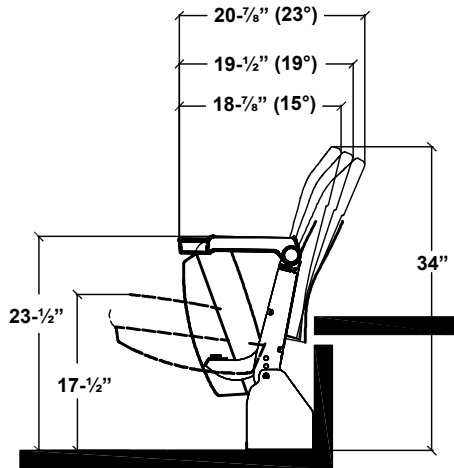

Citation with No. 12 seat and cupholder arm

Folded Citation chair

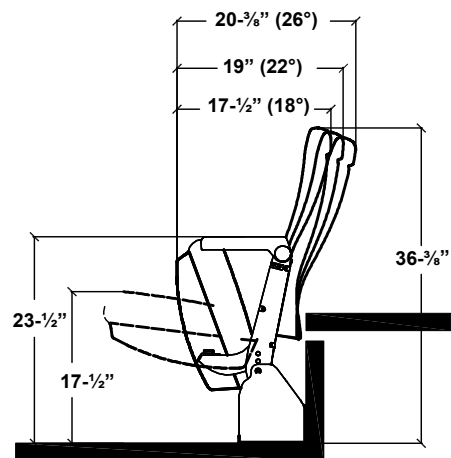

Millennium with No. 12 seat and regular arm

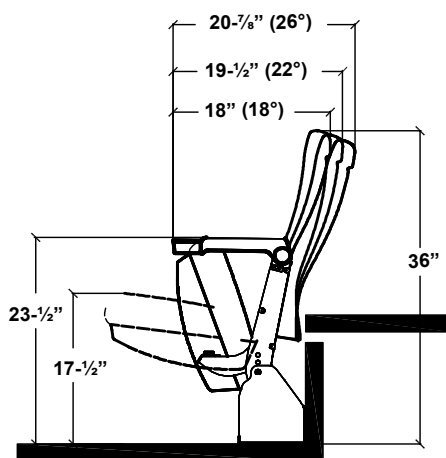

Millennium with No. 12 seat and cupholder arm

Folded Millennium chair

Marquee with No. 12 seat and regular arm

Marquee with No. 12 seat and cupholder arm

Folded Marquee chair
